

Declaration on the REACH Regulation,

implementing European Regulation 1907/2006/EG

“Registration, Evaluation, Authorization, and Restriction of Chemicals” for the product range of

- Elektromotorenwerk Grünhain GmbH

In order to comply with our duty to provide information under the Chemicals Regulation (REACH) that has come into force, we, as a downstream user of chemical mixtures, etc., would like to inform you that

- we request/have requested all our suppliers to inform us about REACH-relevant substances when placing orders and to provide safety data sheets. This also applies to the list of substances of very high concern (CSVHC) published by the ECHA as part of EU Regulation 1907/2006/EG.
- Safety data sheets provided for chemicals/mixtures of substances that are used in our products or come into contact with the products during manufacture can be viewed for information purposes on our
- website www.emgr.com/Products/...
- As downstream users of chemical substances/mixtures, we are not subject to any registration requirements.

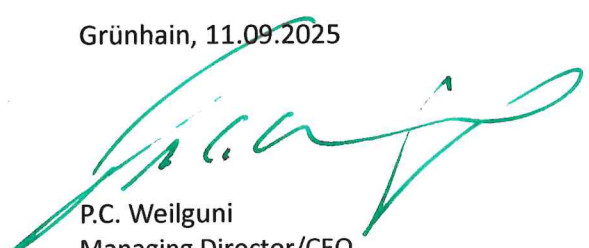

Due to numerous inquiries, we are unable to respond to the various questionnaires and have therefore opted for this form of supplier declaration.

We apologize for any inconvenience this may cause.
